

Maximal robustness and entanglement preservation of Bosonic entanglement in gaussian channels

Wednesday, 23 February 2011 16:40 (0:35)

Content

Summary

Primary author(s) : P. VAN LOOCK (MPI for Science of Light MPL, Erlangen, Germany)

Presenter(s) : P. VAN LOOCK (MPI for Science of Light MPL, Erlangen, Germany)

Session Classification : Maximal robustness and entanglement preservation of Bosonic entanglement in gaussian channels
