

Workshop on Variability in the Western Tropical Pacific: Mechanisms,
Teleconnections and Impacts on Sub-Seasonal, Inter-Annual and
Inter-Decadal Time Scales | (smr 2341)

Contribution ID : 30

Type : not specified

**Influences of ENSO teleconnection on the
persistence of sea surface temperature in the
tropical Indian and Atlantic oceans**

Thursday, 15 November 2012 11:40 (0:40)
