

Identifying Topological Edge States in 2D Optical Lattices using Light Scattering

Monday, 16 July 2012 18:10 (0:40)

Content

Summary

Primary author(s) : N. GOLDMAN (Univ. Libre de Bruxelles, Belgium)

Presenter(s) : N. GOLDMAN (Univ. Libre de Bruxelles, Belgium)

Session Classification : Identifying Topological Edge States in 2D Optical Lattices using Light Scattering
