

Probing the dynamics of strongly correlated quantum systems with single-atom resolution

Monday, 16 July 2012 10:20 (0:40)

Content

Summary

Primary author(s) : S. KUHR (Univ. of Strathclyde, UK)

Presenter(s) : S. KUHR (Univ. of Strathclyde, UK)

Session Classification : Probing the dynamics of strongly correlated quantum systems with single-atom resolution
