

# Heisenberg-Kitaev model: Topological liquids, order by disorder, and emergent Coulomb phases

*Thursday, 23 August 2012 10:40 (0:40)*

## Content

## Summary

**Primary author(s)** : ERAN SELA (University of Cologne, Koeln, Germany)

**Presenter(s)** : ERAN SELA (University of Cologne, Koeln, Germany)

**Session Classification** : Heisenberg-Kitaev model: Topological liquids, order by disorder, and emergent Coulomb phases
