

Light Sterile Neutrinos: Double Beta Decay and Flavor Symmetries

Thursday, 20 September 2012 17:00 (0:25)

Content

Summary

Primary author(s) : JAMES BARRY (Max-Planck Institut für Kernphysik, Heidelberg, Germany)

Presenter(s) : JAMES BARRY (Max-Planck Institut für Kernphysik, Heidelberg, Germany)

Session Classification : Light Sterile Neutrinos: Double Beta Decay and Flavor Symmetries
