

Advanced Workshop on Energy Transport in Low-Dimensional Systems:
Achievements and Mysteries | (smr 2371)

Contribution ID : 11

Type : **not specified**

Ultrafast characterization of heat transport and thermoelectric energy exchange at interfaces

Wednesday, 17 October 2012 11:00 (1:30)

Content

Summary

Primary author(s) : A. SHAKOURI (Purdue Univ., West Lafayette, U.S.A.)

Presenter(s) : A. SHAKOURI (Purdue Univ., West Lafayette, U.S.A.)

Session Classification : Ultrafast characterization of heat transport and thermoelectric energy exchange at interfaces
