

**Advanced Workshop on Energy Transport in Low-Dimensional Systems:
Achievements and Mysteries | (smr 2371)**

Contribution ID : 19

Type : **not specified**

**Advances in nanostructure based thermal interface
and thermoelectric materials**

Thursday, 18 October 2012 17:30 (1:00)

Content

Summary

Primary author(s) : S. VOLZ (Ecole Centrale Paris, Chatenay-Malabry Cedex, France)

Presenter(s) : S. VOLZ (Ecole Centrale Paris, Chatenay-Malabry Cedex, France)

Session Classification : Advances in nanostructure based thermal interface and thermoelectric materials
