

Advanced Workshop on Energy Transport in Low-Dimensional Systems:  
Achievements and Mysteries | (smr 2371)

Contribution ID : 20

Type : **not specified**

## Thermal and electrical transport and thermoelectric figure-of-merit in low-dimensional nanostructures

*Friday, 19 October 2012 09:00 (1:30)*

### Content

### Summary

**Primary author(s)** : A. CANTARERO (Univ. of Valencia, Spain)

**Presenter(s)** : A. CANTARERO (Univ. of Valencia, Spain)

**Session Classification** : Thermal and electrical transport and thermoelectric figure-of-merit in low-dimensional nanostructures
