

Advanced Workshop on Energy Transport in Low-Dimensional Systems:
Achievements and Mysteries | (smr 2371)

Contribution ID : 22

Type : **not specified**

Anomalous energy transport in many-body classical systems: Levy-walk approach

Friday, 19 October 2012 14:00 (1:00)

Content

Summary

Primary author(s) : S. DENISOV (Univ. of Augsburg, Germany)

Presenter(s) : S. DENISOV (Univ. of Augsburg, Germany)

Session Classification : Anomalous energy transport in many-body classical systems: Levy-walk approach
