

Advanced Workshop on Energy Transport in Low-Dimensional Systems:  
Achievements and Mysteries | (smr 2371)

Contribution ID : 24

Type : **not specified**

## Atomistic simulations of thermal transport in nanostructured semiconductors

*Friday, 19 October 2012 16:30 (1:00)*

### Content

### Summary

**Primary author(s)** : D. DONADIO (MPI for Polymer Research, Mainz, Germany)

**Presenter(s)** : D. DONADIO (MPI for Polymer Research, Mainz, Germany)

**Session Classification** : Atomistic simulations of thermal transport in nanostructured semiconductors
