

Advanced Workshop on Energy Transport in Low-Dimensional Systems:
Achievements and Mysteries | (smr 2371)

Contribution ID : 32

Type : **not specified**

Asymmetric heat conduction and negative differential thermal resistance in nonlinear system

Tuesday, 23 October 2012 14:00 (1:00)

Content

Summary

Primary author(s) : BAMBI HU (Univ. of Houston, U.S.A.)

Presenter(s) : BAMBI HU (Univ. of Houston, U.S.A.)

Session Classification : Asymmetric heat conduction and negative differential thermal resistance in nonlinear system
