

Advanced Workshop on Energy Transport in Low-Dimensional Systems:  
Achievements and Mysteries | (smr 2371)

Contribution ID : 34

Type : **not specified**

## Heat transport in low-dimensional systems with asymmetric inter-particle interaction

*Tuesday, 23 October 2012 16:30 (1:00)*

### Content

### Summary

**Primary author(s)** : HONG ZHAO (Xiamen Univ., Xiamen, People's Republic of China)

**Presenter(s)** : HONG ZHAO (Xiamen Univ., Xiamen, People's Republic of China)

**Session Classification** : Heat transport in low-dimensional systems with asymmetric inter-particle interaction
