

# Heat transport through DNA nano-junctions: Probing the denaturation transition using DNA nonlinearity

*Wednesday, 24 October 2012 09:00 (1:30)*

## Content

## Summary

**Primary author(s)** : Y. DUBI (Ben-Gurion Univ., Beer Sheva, Israel)

**Presenter(s)** : Y. DUBI (Ben-Gurion Univ., Beer Sheva, Israel)

**Session Classification** : Heat transport through DNA nano-junctions: Probing the denaturation transition using DNA nonlinearity
