

Advanced Workshop on Energy Transport in Low-Dimensional Systems:  
Achievements and Mysteries | (smr 2371)

Contribution ID : 36

Type : **not specified**

## **Anomalous thermal transport in low-dimensional nanostructures: From experiment to theory**

*Wednesday, 24 October 2012 11:00 (1:30)*

### **Content**

### **Summary**

**Primary author(s)** : BAOWEN LI (Nat. Univ. of Singapore)

**Presenter(s)** : BAOWEN LI (Nat. Univ. of Singapore)

**Session Classification** : Anomalous thermal transport in low-dimensional nanostructures: From experiment to theory
