

# **SEMINAR: Gravitational waves and stability of cosmological solutions in the theory with anomaly-induced corrections**

*Wednesday, 18 April 2012 11:50 (0:30)*

## **Content**

## **Summary**

**Primary author(s) :** F.O. SALLES (UFJF, Brazil)

**Presenter(s) :** F.O. SALLES (UFJF, Brazil)

**Session Classification :** SEMINAR: Gravitational waves and stability of cosmological solutions in the theory with anomaly-induced corrections
