

# Exploring M5-branes from 5d gauge theories - Lecture 1

*Wednesday, 20 March 2013 09:00 (1:00)*

## Content

## Summary

**Primary author(s)** : S. KIM (Perimeter Institute for Theoretical Physics, Canada & Seoul National University, R. of Korea)

**Presenter(s)** : S. KIM (Perimeter Institute for Theoretical Physics, Canada & Seoul National University, R. of Korea)

**Session Classification** : Exploring M5-branes from 5d gauge theories - Lecture 1
