

Dephasing in Electronic Mach-Zehnder Interferometers: Neutrino-like Oscillations in Condensed Matter Laboratory

Monday, 8 April 2013 16:00 (0:35)

Content

Summary

Primary author(s) : EUGENE SUKHORUKOV (University of Geneva, Switzerland)

Presenter(s) : EUGENE SUKHORUKOV (University of Geneva, Switzerland)

Session Classification : Dephasing in Electronic Mach-Zehnder Interferometers: Neutrino-like Oscillations in Condensed Matter Laboratory
