

Aharonov-Bohm Interference of Dirac Fermions in a 2D Normal-Superconductor Junction

Monday, 8 April 2013 11:30 (0:35)

Content

Summary

Primary author(s) : HEUNG-SUN SIM (KAIST, Daejeon, Republic of Korea)

Presenter(s) : HEUNG-SUN SIM (KAIST, Daejeon, Republic of Korea)

Session Classification : Aharonov-Bohm Interference of Dirac Fermions in a 2D Normal-Superconductor Junction
