

# Simulating an interacting gauge theory with ultracold Bose gases

*Thursday, 16 May 2013 09:40 (0:40)*

## Content

## Summary

**Primary author(s) :** PATRIK ÖHBERG (Heriot-Watt University)

**Presenter(s) :** PATRIK ÖHBERG (Heriot-Watt University)

**Session Classification :** Simulating an interacting gauge theory with ultracold Bose gases
