

## **Orbital angular momentum from a spin rotation: the optical and electron-beam cases**

*Wednesday, 10 July 2013 11:10 (0:45)*

### **Content**

### **Summary**

**Primary author(s) :** LORENZO MARRUCCI (Universita' di Napoli 'Federico II')

**Presenter(s) :** LORENZO MARRUCCI (Universita' di Napoli 'Federico II')

**Session Classification :** Orbital angular momentum from a spin rotation: the optical and electron-beam cases
