

Spin and Orbital Angular Momentum Separation for Light Beams and spin-orbit coupling

Monday, 8 July 2013 11:35 (0:45)

Content

Summary

Primary author(s) : ANDREA AIELLO (Max Planck Institute for the Science of Light, Erlangen)

Presenter(s) : ANDREA AIELLO (Max Planck Institute for the Science of Light, Erlangen)

Session Classification : Spin and Orbital Angular Momentum Separation for Light Beams and spin-orbit coupling
