

**Dynamical systems and bifurcation theory with
applications to the dynamics of planet earth
(Directors: K. Mora - S. Hittmeyer). Numerical
Methods in dynamical systems and bifurcation theory**

Tuesday, 28 May 2013 11:15 (1:45)

Content

Summary

Primary author(s) : HINKE OSINGA (University of Auckland, New Zealand)

Presenter(s) : HINKE OSINGA (University of Auckland, New Zealand)

Session Classification : Dynamical systems and bifurcation theory with applications to the dynamics of planet earth (Directors: K. Mora - S. Hittmeyer). Numerical Methods in dynamical systems and bifurcation theory
