

**Dynamical systems and bifurcation theory with  
applications to the dynamics of planet earth  
(Directors: K. Mora - S. Hittmeyer). Introduction to  
dynamical systems and bifurcation theory**

*Monday, 27 May 2013 14:30 (1:45)*

**Content**

**Summary**

**Primary author(s) :** KATHRIN PADBERG-GEHLE (Technische Universität Dresden, Germany)

**Presenter(s) :** KATHRIN PADBERG-GEHLE (Technische Universität Dresden, Germany)

**Session Classification :** Dynamical systems and bifurcation theory with applications to the dynamics of planet earth (Directors: K. Mora - S. Hittmeyer). Introduction to dynamical systems and bifurcation theory
