

# Tutorials on Riemannian Geometry of the space of Positive Definite matrices and geometric means

*Wednesday, 10 July 2013 16:00 (0:30)*

## Content

## Summary

**Primary author(s) :** MIKLOS PALFIA (Budapest University, Hungary)

**Presenter(s) :** MIKLOS PALFIA (Budapest University, Hungary)

**Session Classification :** Tutorials on Riemannian Geometry of the space of Positive Definite matrices and geometric means
