

Determining 3D displacements with InSAR, Azimuth Offsets and Multiple Aperture Interferometry

Monday, 2 September 2013 14:00 (0:45)

Content

Summary

Primary author(s) : GARETH FUNNING (University of California, Riverside)

Presenter(s) : GARETH FUNNING (University of California, Riverside)

Session Classification : Determining 3D displacements with InSAR, Azimuth Offsets and Multiple Aperture Interferometry
