

## **Organic Mott FET and field induced superconductivity**

*Thursday, 26 September 2013 10:55 (0:20)*

### **Content**

### **Summary**

**Primary author(s)** : H. YAMAMOTO (National Institutes of National Science (Myodaiji, Japan))

**Presenter(s)** : H. YAMAMOTO (National Institutes of National Science (Myodaiji, Japan))

**Session Classification** : Organic Mott FET and field induced superconductivity
