

Electronic properties of undoped and doped, hydrocarbon based molecular solids

Thursday, 26 September 2013 11:30 (0:45)

Content

Summary

Primary author(s) : M. KNUPFER (IFW Dresden, Electronic & Optical Properties (Germany))

Presenter(s) : M. KNUPFER (IFW Dresden, Electronic & Optical Properties (Germany))

Session Classification : Electronic properties of undoped and doped, hydrocarbon based molecular solids
