Workshop on Galaxy Bias: Non-linear, Non-local and Non-Gaussian | (smr 2491)

Thursday 10 October 2013

Modelling the Halo/Galaxy Bias with the full nonlinear information in the mass density field - Adriatico Guest House Giambiagi Lecture Hall (16:30-17:00)

time	title	presenter
16:30	Modelling the Halo/Galaxy Bias with the full nonlinear information in the mass density field	J.E. POLLACK
