

# **Molecular interactions at the surface of colloidal biological objects: beta-Amyloids, proteins, and living cells**

*Monday, 14 October 2013 14:30 (0:50)*

## **Content**

## **Summary**

**Primary author(s)** : H.L. DAI (Temple University, Philadelphia, USA)

**Presenter(s)** : H.L. DAI (Temple University, Philadelphia, USA)

**Session Classification** : Molecular interactions at the surface of colloidal biological objects: beta-Amyloids, proteins, and living cells
