

International Training Workshop on FPGA Design for Scientific
Instrumentation and Computing | (smr 2499)

Contribution ID : 10

Type : **not specified**

Digital processing of analog signals

Tuesday, 12 November 2013 11:30 (1:00)

Content

Summary

Primary author(s) : MASSIMILIANO NOLICH

Presenter(s) : MASSIMILIANO NOLICH

Session Classification : Digital processing of analog signals
