# International Training Workshop on FPGA Design for Scientific Instrumentation and Computing | (smr 2499)

## Thursday 14 November 2013

**Microelectronics at CERN - Introduction to CMOS technology and VLSI Design -**  
**(09:00-10:00)**

time	title	presenter
09:00	Microelectronics at CERN - Introduction to CMOS technology and VLSI Design	SANDRO BONACINI
