

Conference on Field Theory Methods in Low-Dimensional Strongly  
Correlated Quantum Systems | (smr 2601)

Contribution ID : 14

Type : **not specified**

## Hall viscosity, shift, and topological invariants

*Wednesday, 27 August 2014 09:45 (0:45)*

### Content

### Summary

**Primary author(s)** : V. GURARIE (University of Colorado at Boulder)

**Presenter(s)** : V. GURARIE (University of Colorado at Boulder)

**Session Classification** : not yet classified
