4th International Workshop CHArMEx - the Chemistry-Aerosol Mediterranean Experiment | (smr 2610)

Thursday 23 October 2014

Working Session: Desert dust and deposition - LB, Budinich Lecture Hall (08:30-11:00)

- Conveners: DESBOEUF, Karine; DI SARRA, Alcide

time	title	presenter
08:30	Mineral dust in the Mediterranean region	DI SARRA, Alcide
09:15	Results from deposition monitoring	DESBOEUF, Karine
09:30	Balloon-borne dust particle size observations	DULAC, Francois
09:40	The contribution of natural aerosols on the Mediterranean region	ZAKEY, Ashraf
09:50	Temporal evolution of deposition in Granada (Sierra Nevada)	MORALES BAQUERO, Rafael
10:00	Open Discussion	
10:30	Coffee break, Posters and Database
