International Workshop on Computational Physics and Materials Science: Total Energy and Force Methods | (smr 2703)

Thursday 15 January 2015

Topological Invariants - LB (Budinich Lecture Hall) (14:00-15:30)

- Conveners: Pickett, Warren

| time | title | presenter |
|-------|--|----------------------|
| 14:00 | Topological physics of transition-metal oxide (111)-bilayers | OKAMOTO, Satoshi |
| 14:30 | Searching for topological semi--■metals in realistic materials | DAI, Xi |
| 15:00 | Edge states in graphene nanostructures on metal surfaces | MAZZARELLO, Riccardo |
