# International Workshop on Computational Physics and Materials Science: Total Energy and Force Methods | (smr 2703)

## Thursday 15 January 2015

### Excitation Spectra - LB (Budinich Lecture Hall) (16:00-17:30)

- Conveners: Gebauer, Ralph

time	title	presenter
16:00	Electronic, optical and vibronic coupling in organic systems from many-body perturbation theory	BLASE, Xavier
16:30	Ab initio description of exciton dispersion	SOTTILE, Francesco
17:00	Spectroscopic properties beyond standard GW	LISCHNER, Johannes
