

International Workshop on Computational Physics and Materials Science:
Total Energy and Force Methods | (smr 2703)

Contribution ID : 14

Type : **not specified**

**Electric field at the microscopic level: from water
dissociation to Miller-like experiments**

Friday, 16 January 2015 11:30 (0:30)

Content

Summary

Presenter(s) : SAITTA, Marco (Universite Pierre et Marie Curie)

Session Classification : First-Principles Simulations
