

International Workshop on Computational Physics and Materials Science:
Total Energy and Force Methods | (smr 2703)

Contribution ID : 18

Type : **not specified**

Spectroscopic observables from DFT and TDDFT: limitations and hopes

Friday, 16 January 2015 16:00 (0:30)

Content

Summary

Presenter(s) : KUEMMEL, Stephan (Universitaet Bayreuth)

Session Classification : Fundamentals of DFT
