

International Workshop on Computational Physics and Materials Science:  
Total Energy and Force Methods | (smr 2703)

Contribution ID : 21

Type : **not specified**

## **Water: from deep undercooling to ultrahigh pressure**

*Saturday, 17 January 2015 09:00 (1:00)*

### **Content**

### **Summary**

**Presenter(s)** : CAR, Roberto (Princeton University)

**Session Classification** : In Honor of Stefano Baroni
