School in Computational Condensed Matter Physics: From Atomistic Simulations to Universal Model Hamiltonians | (smr 2706)

Friday 11 September 2015

Morning Session 9 - AGH (Kastler Lecture Hall) (08:30-14:00)

time	title	presenter
08:30	Foundation of Parallel Systems for High-Performance Computing	GIROTTO, Ivan
10:00	Coffee break	
10:30	Lab-Session: Linking and Usage of High-Performance Libraries	GIROTTO, Ivan
12:00	Lunch break	

School in Computational Condensed Matter Physics: From Atomistic Simulations to Universal Model Hamiltonians | Friday 11 September 2015
