School in Computational Condensed Matter Physics: From Atomistic Simulations to Universal Model Hamiltonians | (smr 2706)

Tuesday 15 September 2015

Morning Session 13 - AGH (Kastler Lecture Hall) (08:30-14:00)

time	title	presenter
08:30	Representing and understanding patterns in materials and molecules - Part III	CERIOTTI, Michele
10:00	Coffee break	
10:30	Efficient simulations of low-dimensional systems - Part III	POLLMAN, Frank
12:00	Lunch break
