School in Computational Condensed Matter Physics: From Atomistic Simulations to Universal Model Hamiltonians | (smr 2706)

Wednesday 23 September 2015

Morning Session 25 - AGH (Kastler Lecture Hall) (08:30-14:00)

time	title	presenter
08:30	Simulating correlated materials on quantum computers - Part III	TROYER, Matthias
10:00	Coffee break	
10:30	Simulating correlated materials on quantum computers - Part IV	TROYER, Matthias
12:00	Lunch break
