School in Computational Condensed Matter Physics: From Atomistic Simulations to Universal Model Hamiltonians | (smr 2706)

Friday 25 September 2015

Morning Session 29 - AGH (Kastler Lecture Hall) (08:30-14:00)

time	title	presenter
08:30	Reflecting on the P in HPC a Condensed Matter Physics Perspective	SCHULTHESS, Thomas
10:00	Coffee break	
10:30	Exact Diagonalization: Applications	LAUCHLI, Andreas M.
12:00	Lunch break
