# Conference on Frustration, Disorder and Localization: Statics and Dynamics | (smr 2709)

## Thursday 01 October 2015

### AFTERNOON SESSION - AGH (Kastler Lecture Hall) (14:00-17:30)

| time  | title   | presenter                       |
|-------|---|---------------------------------|
| 14:00 | When must a Local Hamiltonian be Frustration-free?        | LAUMANN, Christopher<br>Richard |
| 14:50 | Question/Discussion Time                                  |                                 |
| 15:00 | Disorder & Interactions: Input from Numerical Simulations | LAFLORENCIE, Nicolas            |
| 15:50 | Question/Discussion Time                                  |                                 |
| 16:00 | Coffee break  |                                 |
| 16:30 | Breaking the Waves - Spinons in 2D                        | RONNOW, Henrik                  |
| 17:20 | Question/Discussion Time                                  |                                 |
