Workshop on Uncertainty Quantification in Climate Modeling and Projection | (smr 2718)

Tuesday 14 July 2015

notitle - AGH (Giambiagi Lecture Hall) (09:00-17:00)

time	title	presenter
09:00	Use of observations in uncertainty quantification	JACKSON, Charles
10:30	Coffee Break	
11:00	Gaussian Process Modeling and the use of Emulators in UQ	HIGDON, David
12:00	Lunch Break	
13:30	Participant introductions and introduction to computer lab	
14:00	GP modeling	HIGDON, David
15:30	Coffee Break	
16:00	Discussion: The problem of structural errors and what to do about them
