

Advanced Workshop on Cosmological Structures from Reionization to Galaxies: Combining Efforts from Analytical and Numerical Methods | (smr 2731)

Contribution ID : 7

Type : **not specified**

Reionisation and the Build-up of the UV-background in the Eagle Simulations

Tuesday, 12 May 2015 12:10 (0:30)

Content

Summary

Presenter(s) : THEUNS, Tom (Univ. of Durham, Inst. Computational Cosmology, Durham, U.K.)

Session Classification : Morning Session
