

Advanced Workshop on Cosmological Structures from Reionization to  
Galaxies: Combining Efforts from Analytical and Numerical Methods | (smr  
2731)

Contribution ID : 22

Type : **not specified**

## **21CMMC: an MCMC framework for the astrophysics of reionisation**

*Wednesday, 13 May 2015 10:20 (0:20)*

**Content**

**Summary**

**Presenter(s)** : GREIG, Bradley (Scuola Normale Superiore SNS, Pisa, Italy)

**Session Classification** : Morning Session
