

Advanced Workshop on Cosmological Structures from Reionization to Galaxies: Combining Efforts from Analytical and Numerical Methods | (smr 2731)

Contribution ID : 31

Type : not specified

## Probing the Reionization Process and its Sources with Line Intensity Mapping

*Wednesday, 13 May 2015 15:15 (0:15)*

### Content

### Summary

**Presenter(s)** : BRUNO SILVA, Marta (Kapteyn Astronomical Institute, Univ. Groningen, Netherlands)

**Session Classification** : Afternoon Session
