

Advanced Workshop on Cosmological Structures from Reionization to Galaxies: Combining Efforts from Analytical and Numerical Methods | (smr 2731)

Contribution ID : 35

Type : not specified

Precision Cosmology with 21cm Intensity Mapping in the Post-reionization Era

Wednesday, 13 May 2015 16:50 (0:20)

Content

Summary

Presenter(s) : VILLAESCUSA-NAVARRO, Francisco (Osservatorio Astronomico di Trieste, Italy)

Session Classification : Afternoon Session
