

**Advanced Workshop on Cosmological Structures from Reionization to Galaxies: Combining Efforts from Analytical and Numerical Methods | (smr 2731)**

Contribution ID : **66**

Type : **not specified**

## **Advance in Phase-Space Halo & Galaxy Finding**

*Thursday, 14 May 2015 09:40 (0:20)*

### **Content**

### **Summary**

**Presenter(s)** : BEHROOZI, Peter (Space Telescope Science Institute, Baltimore, U.S.A.)

**Session Classification** : Morning Session
